The **COMET (Co-Occurring Methamphetamine Expanded Treatment)** team is a specialized PACT team that serves individuals with a serious mental health disorder and methamphetamine abuse/dependence. This one team provides both mental health treatment and substance abuse outpatient groups. The team is directed by a team leader and a psychiatric prescriber and includes mental health case managers, chemical dependency professionals, an RN, a peer mentor, a vocational specialist, and an administrative assistant. The chief goal is to help consumers establish a clean and sober lifestyle, improved physical health and quality of life, reduction in episodes of criminality, homelessness and psychiatric crises. **COMET** provides intensive services in the community and may have multiple contacts during the day/week with consumers based on need and a mutually agreed upon plan between the consumer and the **COMET** team.

We are currently seeking individuals to fill the following full-time positions for COMET:

ARNP – Clinical responsibility for monitoring client treatment and staff delivery of clinical services, psychiatric and medical assessments, education and training of the team, collaboration with registered nurses and make appropriate referrals to community resources. Regularly attend daily organizational staff meetings to assess patient status. Must have prescriptive authority and no less than 2 years experience in treating individuals with a serious mental illness. (This is a 16 hour per week position. The other 24 hours will be spent in Co-occurring Outpatient Treatment Services, Jail Transition Services and Detoxification Services.)
Salary Range: \$68,000 to \$75,000, DOE

RN – Provide case management for an assigned group of clients, providing individual therapy and symptom management, conduct part of the comprehensive assessment, consult with community agencies and families and a lead role in providing medication administration and medical services. Must have no less than two years experience in treating individuals with a serious mental illness.
Salary Range: \$42,000 to \$50,000, DOE
